7 **PLEASE TAKE FURTHER NOTICE** that, the Debtors have made a good-

3 **JURISDICTION AND VENUE**

4 1. The Court has subject matter jurisdiction to consider and determine this

6 to 28 U.S.C. § 157(b)(2). The Debtors consent to entry of final orders and judgments

11 **A. The Bankruptcy.**

1 **B. Closure of the Medical Center and Decision to Reject the Medical Center's**
2 **Contracts and Leases.**

3 4. On the Petition Date, the Medical Center was a 214-bed hospital that
4 provided a full complement of medical services including open-heart surgery,
5 advanced imaging, comprehensive robotics, neurosurgery, and a Commission on
6 Accreditation of Rehabilitation Facilities (CARF) accredited inpatient rehabilitation.
7 The Astria Heart Institute (part of the Medical Center) was a Level I Cardiac and
8 Level II Stroke center, with a Level III Trauma designation. The Medical Center
9 owns 14 clinics with various specialties. On September 1, 2017, the Medical Center
10 became a part of Astria and began doing business as Astria Regional Medical Center
11 on October 17, 2018.

12 5. The decision to reject the Contracts and Leases identified in **Exhibit A**
13 attached hereto, effective *nunc pro tunc* January 15, 2020—or alternatively, to the
14 date this Motion is filed—stems from the Debtors' plan (the "Closure Plan") for the
15 closure of the Medical Center (the "Closure"), which was an act taken as a last resort
16 to ensure the safety of patients and to maintain the financial viability of the Debtors'
17 remaining two hospitals and related clinics. On January 8, 2020, the Court entered an
18 Order granting the Debtors' Motion to Close the Medical Center [Docket No. 874].
19 In accordance with the Order, the Debtors ceased operations at the Medical Center on
20 or before January 15, 2020. Accordingly, to halt accrual of administrative costs

1 associated with the Contracts and Leases, the Debtors seek to reject the Contracts and
2 Leases effective *nunc pro tunc* January 15, 2020, or alternatively, to the date this
3 Motion is filed.

4 6. During the Closure process and afterwards, rent obligations and other
5 administrative expenses will continue to accrue—all without the Debtors generating
6 revenue from the Medical Center—unless the Debtors are allowed to reject the
7 Medical Center’s Leases and Contracts identified in **Exhibit A**. Indeed, these Leases
8 and Contracts will not be needed upon Closure. The Debtors’ rejection of the
9 Contracts and Leases identified in **Exhibit A** will reduce overhead expenses and
10 minimize administrative expenses arising from obligations under those Contracts and
11 Leases, thereby maximizing the return to the Debtors’ unsecured creditors. For all
12 these reasons, the Debtors have exercised their business judgment and have concluded
13 that rejecting the Contracts and Leases identified in **Exhibit A** attached hereto,
14 effective *nunc pro tunc* January 15, 2020, or alternatively, to the date this Motion is
15 filed, is the right decision.

III.

ARGUMENT

A. The Court Should Approve Rejection of the Medical Center's Contracts and Leases.

Barring exceptions not relevant here, § 365(a) authorizes a debtor in possession to “assume or reject any executory contract or unexpired lease of the debtor,” “subject to the court’s approval.” In reviewing a debtor in possession’s decision to assume or reject an executory contract or unexpired lease, a bankruptcy court should apply the “business judgment test” to determine whether to approve the assumption or rejection. *See NLRB v. Bildisco & Bildisco*, 465 U.S. 513, 523, 104 S.Ct. 1188, 79 L.Ed.2d 482 (1984) (recognizing that the business judgment rule is used in reviewing motions to reject executory contracts); *Agarwal v. Pomona Valley Med. Grp., Inc. (In re Pomona Valley Med. Grp., Inc.)*, 476 F.2d 665, 671 (9th Cir. 2007). A debtor in possession may assume or reject executory contracts or unexpired leases for the benefit of its estate and its creditors. *In re Pomona Valley*, 476 F.2d at 671; *In re Chi-Feng Huang*, 23 B.R. 798, 801 (B.A.P. 9th Cir. 1982) (“The primary issue is whether rejection would benefit the general unsecured creditors.”). “The purpose of the power to reject is to augment the estate of the debtor.” *Chi-Feng Huang*, 23 B.R. at 800 (quoting Krasnowiecki, *The Impact of the New Bankruptcy Reform Act on Real Estate Development and Financing*, 53 AM. BANKR. L.J. 363, 382 (1979)).

1 The business judgment standard requires that the bankruptcy court “presume
2 that the debtor-in-possession acted prudently, on an informed basis, in good faith, and
3 in the honest belief that the action taken was in the best interests of the bankruptcy
4 estate.” *In re Pomona Valley*, 476 F.2d at 670. As a result, the bankruptcy court
5 should approve rejection “unless it finds that the debtor-in-possession’s conclusion
6 that rejection would be ‘advantageous is so manifestly unreasonable that it could not
7 be based on sound business judgment, but only on bad faith, or whim or caprice.’”
8 *Id.* (quoting *Lubrizol Enters. v. Richmond Metal Finishers*, 726 F.2d 1043, 1047 (4th
9 Cir. 1985)).

10 The Debtors, in the exercise of their business judgment, have determined that
11 rejection of the Medical Center’s Contracts and Leases identified in **Exhibit A**⁴⁵

12 _____
13 ⁴ The Debtors hereby reserve all rights to assume and assign or reject all other
14 contracts and/or leases not listed in **Exhibit A** attached hereto.

15 ⁵ While the Medical Center has no further need for these Leases and Contracts, it is
16 possible that some of the Contracts and/or Leases identified in **Exhibit A** were
17 executed by or for the benefit of multiple Debtors such that other Debtors may choose
18 to assume such Contracts and/or Leases under § 365 by separate action and/or motion.
19 To the extent another Debtor besides the Medical Center is a party to or beneficiary
20 of such Contract or Lease, the Debtors hereby reserve all rights to bifurcate and/or

1 attached hereto, effective *nunc pro tunc* January 15, 2020, or alternatively, to the date
2 this Motion is filed, is in the best interests of the estates. Operations at the Medical
3 Center ceased on January 15, 2020, pursuant to this Court's Order on the Motion to
4 Close the Medical Center. During the Closure process and afterwards, rent
5 obligations and other administrative expenses will continue to accrue—all without the
6 Debtors generating revenue from the Medical Center—unless the Debtors are allowed
7 to reject the Medical Center's Leases and Contracts identified in **Exhibit A**. Indeed,
8 the Medical Center will have no need for these Leases and Contracts upon Closure.
9 The Debtors' rejection of the Contracts and Leases identified in **Exhibit A** will reduce
10 overhead expenses and minimize administrative expenses arising from obligations
11 under those Contracts and Leases, thereby maximizing the return to the Debtors'
12 unsecured creditors.

13 Accordingly, it is in the best interests of the estates to reject the Contracts and
14 Leases, effective *nunc pro tunc* January 15, 2020, or alternatively, to the date this
15 Motion is filed. "Since the debtor has the right under the Bankruptcy Code to reject
16 the contract [or unexpired lease], the court's discretion is limited once it has
17 determined that the debtor is exercising sound business judgment." *In re Health Plan*

1 of the *Redwoods*, 286 B.R. 779, 780 (Bankr. N.D. Cal. 2002). Consequently, because
2 the Debtors' rejection of the Contracts and Leases is rational, reasonable and within
3 their sound business judgment, the Court should grant the motion.

4 **B. Rejection of the Contracts and Leases Should Be Effective *Nunc Pro Tunc***
5 **January 15, 2020, or Alternatively, to the Date this Motion is Filed.**

6 Regarding the effective date of this Motion's rejection of the Contracts and
7 Leases, the Ninth Circuit has identified four non-exclusive factors to be applied by a
8 bankruptcy court in making a determination whether retroactive rejection is
9 warranted: (1) the debtor's immediate filing of a motion to reject the lease; (2) the
10 debtor's prompt action in setting that motion for hearing; (3) the vacancy of the leased
11 premises; and (4) the landlord's conduct and motivation in opposing a retroactive
12 rejection of the lease. *In re At Home Corp.*, 392 F.3d 1064, 1072 (9th Cir. 2004)
13 (finding rejection appropriate for administrative efficiency *nunc pro tunc* the petition
14 date). Although that case dealt specifically with leases and not executory contracts
15 generally, the reasoning of that decision applies here.

16 Indeed, "there is nothing in either *At Home* or the line of authority relied upon
17 by the Ninth Circuit in adopting its retroactive lease rejection standard that expressly
18 limits the bankruptcy court's equitable authority to establish a retroactive rejection
19 date no earlier than the motion filing date." *In re New Meatco Provisions, LLC*, No.

3 F.3d 1021, 1029 (1st Cir. 1995) (holding that the bankruptcy court “has the equitable
4 power, in suitable cases, to order a rejection to operate retroactively” to the date the

8 date for rejection, the bankruptcy court has authority under section 365(d)(3) to set
9 the effective date of rejection *at least* as early as the filing date of the motion to reject.”

1 **DECLARATION OF JOHN M. GALLAGHER IN SUPPORT OF MOTION**
2 **TO REJECT MEDICAL CENTER'S CONTRACTS AND LEASES**

3 I, John M. Gallagher, hereby state and declare as follows:

4 1. I am the President and Chief Executive Officer ("CEO") of Astria Health
5 ("Astria"). I am employed by AHM, Inc. ("AHM"), a nondebtor entity that provides
6 management services to Astria and its affiliated debtors and debtors in possession
7 (collectively, the "Debtors") under chapter 11 of title 11 of the United States Code,
8 11 U.S.C. §§ 101, *et seq.* (the "Bankruptcy Code") in these chapter 11 cases (the
9 "Chapter 11 Cases").

10 2. A full description of the facilities and services which comprise the Astria
11 Health system are contained in my declaration in support of the Emergency First Day
12 Motions [Docket No. 21].

13 3. On the Petition Date, the Medical Center was a 214-bed hospital that
14 provided a full complement of medical services including open-heart surgery,
15 advanced imaging, comprehensive robotics, neurosurgery, and a Commission on
16 Accreditation of Rehabilitation Facilities (CARF) accredited inpatient rehabilitation.
17 The Astria Heart Institute (part of the Medical Center) was a Level I Cardiac and
18 Level II Stroke center, with a Level III Trauma designation. The Medical Center
19 owns 14 clinics with various specialties. On September 1, 2017, the Medical Center

1 became a part of Astria and began doing business as Astria Regional Medical Center
2 on October 17, 2018.

3 4. The decision to reject the Contracts and Leases identified in **Exhibit A**
4 attached hereto, effective *nunc pro tunc* January 15, 2020—or alternatively, to the
5 date this Motion is filed—stems from the Debtors’ plan for the closure of the Medical
6 Center (the “Closure”), which was an act taken as a last resort to ensure the safety of
7 patients and to maintain the financial viability of the Debtors’ remaining two hospitals
8 and related clinics. On January 8, 2020, the Court entered an Order granting the
9 Debtors’ Motion to Close the Medical Center [Docket No. 874]. In accordance with
10 the Order, the Debtors ceased operations at the Medical Center on or before January
11 15, 2020. Accordingly, to halt accrual of administrative costs associated with the
12 Contracts and Leases, the Debtors seek to reject the Contracts and Leases effective
13 *nunc pro tunc* January 15, 2020, or alternatively, to the date this Motion is filed.

14 7. During the Closure process and afterwards, rent obligations and other
15 administrative expenses will continue to accrue—all without the Debtors generating
16 revenue from the Medical Center—unless the Debtors are allowed to reject the
17 Medical Center’s Leases and Contracts identified in **Exhibit A**. Indeed, these Leases
18 and Contracts will not be needed upon Closure. The Debtors’ rejection of the
19 Contracts and Leases identified in **Exhibit A** will reduce overhead expenses and
20 minimize administrative expenses arising from obligations under those Contracts and

2 these reasons, the Debtors have exercised their business judgment and have concluded
3 that rejecting the Contracts and Leases identified in **Exhibit A** attached hereto,
4 effective *nunc pro tunc* January 15, 2020, or alternatively, to the date this Motion is
